*Allowable Subject Matter*

1. The Advisory Action filed on 2/13/07 has been withdrawn. The Amendment after Final has been entered because they do not raise new issues that would require further consideration and/or search.

Claims 1-5, 7-13, 15-16, 18-24, 26-33 and 37 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art of record does not disclose or suggest a control rod extending along said central axis and through said pole piece assembly for opening of said valve, said control rod including a tapered end in combination with the other limitations set forth in claim 1.

The prior art of record does not disclose or suggest a control rod extending along said central axis and through said pole piece assembly for opening of said valve, said control rod including a tapered end in combination with the other limitations set forth in claim 15.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
